

Peanuts

Aldebaran Commodities has been importing peanuts from several origins and selling them to a worldwide group of clients for over 10 years now. We are always in close contact with producers to get the best prices and the most accurate information regarding issues as planting figures and the weather forecasts to crop prognoses and latest market developments.

In this way we have established ourselves as one of the most reliable and professional suppliers in the market to ensure that our clients receive not only the best prices but also the latest information from worldwide origin markets.
